New Tool

Tool only available directly from
Kate Colleran Designs

Want to keep your fabric from shifting while you mark it?

A sandboard is a simple quilting
tool that can make fabric
marking easier and more
accurate.

A sandboard for marking fabric.
Made from $\frac{1}{4}$ " birch plywood
which means it is thick enough to
hold on your lap and feel sturdy
but not so thick that it is heavy.
It's light and portable! #2628

Marking Mate

Useful for quilting, applique,
EPP and more!

ReImagine

Projects that use orphan blocks!!

ReImagine is a group of patterns that Kris Poor and I created together which are smaller projects that use leftover blocks, orphan blocks or really any quilt, cross stitch or embroidery block!

The projects are created for 4 different size blocks: 6", 8", 10, or 12" (finished sizes).
